

Farm Digestant #630

Product # 534

For drains, grease traps and septic systems

This product combines the potent waste-digesting properties of natural enzymes and special multi-cultured strains of natural bacteria. These Bacillus bacteria spores (both anaerobic and aerobic) are cultured for the ability to digest waste – quickly, efficiently and without odors! These bacteria are combined with free enzymes using a patented stabilization process. The enzymes work synergistically with bacteria to quickly break down proteins, starch, carbohydrates, animal and vegetable fats – to provide the fastest action available in a liquid digestant.

Uses:

- Sinks
- Septic tanks
- Floor drains
- Wet wells
- Urinals and toilets
- Lift stations
- Grease traps
- Sewer laterals

Effective against

- Odors
- Soap residue
- Grease and oils
- Paper

Features and Benefits

- Controls waste and odors without the use of chemicals
- Keeps portable toilets and holding tanks odor-free during periods of heavy use
- Contains both anaerobic (can live in airless environments) and facultative (can live with or without oxygen) bacteria
- Bacteria are in spore form for extended shelf life
- Contains vitamins to enhance bacterial growth

Properties

Appearance.....	Orange – brown liquid
Fragrance	Bland
Specific Gravity.....	1.01
VOC content.....	< 0.5%
Colony count	68 Million/milliliter
pH	7.0-8.0

Directions: Complete directions on product label

Sinks, floor drains, urinals and toilets: Use 2 -6 ounces per drain.

Septic Tanks: Add 2-4 quarts initially, then one pint weekly for each 5 people using the system.

Grease Traps: One quart initially, then one pint weekly.

Also use in: **Wet wells, Lift Stations, Sewer Laterals** and many other applications.

Active Ingredients

Water	CAS Number
Propylene Glycol.....	7732-18-5
Proprietary Surfactant.....	57-55-6
Bacillus Culture.....	Mixture
Protease.....	No CAS Number
	9014-01-1

Safety

Danger: Causes serious eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled. Keep out of reach of children.
